HP Pavilion 11-h002ee x2 PC

The detachable that helps you stay connected.

Get the best value with a 2-in-1 detachable that adapts to your busy life. Write emails, do homework, or enjoy creative projects on a notebook, and then easily detach the display for a tablet that keeps you connected. Web chats are more immersive with dual webcams and outstanding Beats Audio™[1].

HP recommends Windows.

Create on a notebook. Connect on a tablet.

Switch this innovative thin design easily from a notebook PC to a tablet, and then transform it back again.

Superb audio and visual.

Enjoy clearer, brighter web chats[1] with a difference you can see and hear, thanks to dual webcams, an HD display,[2] and Beats Audio™.

Type and create easily.

Have everything you need to easily type a report or put together a presentation on the go. A full-size keyboard and 29.4 cm (11.6") diagonal touchscreen display places productivity at your fingertips.

[1] Internet service required and not included.[2] High definition (HD) content is required to view high-definition images.
